

FOREVER *in* OUR HEARTS

UVA Students' Beta Bridge Memorial Dedicated to Devin Chandler, Lavel Davis, Jr. and D'Sean Perry

“

My heart both swells and breaks to be here with all of you to celebrate and honor the lives of Devin Chandler, Lavel Davis Jr. and D’Sean Perry. They were kind. They were funny. They were full of energy. They were serious students. They were sons, and grandsons, and brothers.

We will find strength in our faiths and beliefs – whatever they be. And in knowing that Devin, Lavel and D’Sean were deeply loved by their families and friends.

Despite all of this, life beckons nonetheless. We can and will move forward as a community, provided we move forward together. We can and will do this not to dishonor the lives lost, but on the contrary, to honor them.

”

JIM RYAN, UVA PRESIDENT

“

As a mother and as Director of Athletics, this tragedy has pushed me to my limits. But God is faithful. We are better. And we will do better because of Devin, Lavel and D’Sean.

To the families, we love your sons. We love your sons. And we will make sure their legacy never fades at the University of Virginia.
